

A SUPER EFFORT IN TIJUANA

Outside the Bowl U.S. staff and North Coast Church's junior high staff loaded up and headed south of the border last month to visit the Tijuana Super Kitchen. At 11:30 a.m. the OTB Tijuana team was hustling to finish cleaning the kitchen after a busy morning that consisted of preparing 20,000 meals! We were shocked! This past fall the Super Kitchen was bustling with cooking 2,000-3,000 meals a day. The increase is credited to a new account with the government to get meals into local schools. Two shifts are now running from 5:00 a.m.-1:00 p.m. and then again from 5:00 p.m.-1:00 a.m. to make sure these meals are ready to be delivered for lunch Monday through Friday.

Food for the following day was neatly stacked wherever there was a free square inch. Exhaustion was tangible. Join us in praying for this team as they work so diligently to meet the needs of children in their community.

The staff from North Coast Church was impressed by the quality and taste of the food cooked in the Super Kitchen. After a quick visit, we drove about 20 minutes down the road to Gracia de Calvario's Fuentes location where the connection was made that the school kids were eating the same, great tasting lentil soup. The JH78 team jumped into providing some afternoon fun for the

50 children who cycled through this ministry partner's feeding location.

If you attend North Coast, be on the lookout next month for a bunch of junior high students who will be raising funds and participating in [Starving 2 Serve!](#)

"We had an amazing first day feeding the street boys! The food was exceptional! The boys kept telling us that they couldn't believe that they got such good food given to them. We are very, very happy with the food and service of Outside the Bowl. Thank you so much!" -Pastor Tonya
